to me ▾

Thu, Dec 15, 3:35 PM (2 days ago)

The screenshot shows an email from InterServer.net. The header features the InterServer.net logo on a black background. The main content is titled 'VPS Activation Details' and includes a greeting, confirmation of VPS setup, and a list of server details. It also provides instructions for connecting via Windows Remote Desktop Client and lists important links for helpdesk, control panel, and network tools. The email is framed by a light gray border.

interServer.net

VPS Activation Details

Dear

Your new VPS has been setup successfully!
